TEEN SUMMER PROGRAM ALICANTE 2023

ALICANTE

THE SCHOOL

Nestled in Alicante's city center, Estudio Sampere is located on the first floor of a small building. It has nine classrooms fully equipped with all the necessary technology to apply the latest methods for teaching Spanish. Its size is perfect for students seeking personalized attention in a friendly environment.

PROGRAM

The Teen course consists of a **summer program** designed for teens, aged 15 to 17, who want to learn Spanish and enjoy an unforgettable holiday in **the mediterranean atmosphere of Alicante**.

The program includes watersports 3 times per week in the mornings and classes in the afternoon. During their daily classes, students study and practice all aspects of the Spanish language: grammar and composition, vocabulary and conversation.

It is vital to state any kind of special diets as well as allergies.

AIRPORT INFORMATION

Estudio Sampere staff will be waiting for students upon their arrival at Alicante. On their departure, Estudio Sampere staff will also **help with the check-in and accompany the students to the security gate.**

Alicante Airport.

Student should arrive at Alicante airport before 7 p.m on Sunday, before the start of the course. Student should depart from Alicante Airport after 12 midday on Saturday after the end of the course.

INSURANCE

All students enrolled in the Teen Program in Alicante **are covered by an insurance policy** with ERGO seguros de viaje .

All European Union Citizens are included in the Spanish Social Security and should bring forms E111/E-128 or European Health Card from their country of origin/residence. Citizens from other countries should check with their local Spanish Embassy. If a student is under medical care, we advise him/her to bring sufficient medication to cover his/her stay in Spain. Students are encouraged to buy extra insurance or bring proof of their present insurance to cover medical expenses, loss of luggage and cancellation fees.

ACTIVITIES

Holidays should be fun, which is why our Teen Program is **packed with activities and cultural programs**. In **Alicante**, students can practice water sports (surfing, swimming, bodyboarding...), as well as other sports and routes along the beaches and coves that surround the city, to name a few. **On Saturdays we organize full-day trips** to surrounding cities to get acquainted with the region, for example to Altea, Fuentes del Algar, Murcia, Villajoyosa or Tabarca Island.

ENROLLMENT

Enrollment through Estudio Sampere

If you prefer to enroll through Estudio Sampere's Main Office, please read the separate enrollment form and price list very carefully. For further information or help, please contact Estudio Sampere directly.

www.sampere.com

Enrollment through an Estudio Sampere agent or representative

We recommend that students book the Program through Estudio Sampere agents or representatives around the world. Most of the agents have visited our schools and have the information and experience to answer your questions.

In most cases, the fees will be the same or similar, and the agents' expertise and assistance will help the students make the right choice. Contact Estudio Sampere for a list of authorized agents and representatives in your country. Always follow the recommendations of the agent or representative when enrolling in a course.

Enrollment Conditions

Please return the completed registration form to our agent/representative, who will receive Estudio Sampere's confirmation. Students will receive their accommodation address and an informative Student Handbook. Payment should be made to our agent/representative under the agreed terms and conditions.
