Family Residence

Estudio Sampere has rented this small residence for the summer and can accommodate up to 40 students in double rooms. It includes full board and laundry facilities. Meeting young people from other countries is a very rewarding part of the Program, allowing students to broaden their view of the world. Activities permit and encourage these contacts. **Estudio Sampere staff supervise all activities.** Sport shoes, a swimsuit and beach towel should be packed. A sweater will also be needed as the weather tends to be cool at night. A list of clothing and necessary items will be included in the Student Handbook.
